We are pleased to announce that the **2022 South Carolina Scale Model Mega Show** will be held on **17/18 June 2022** at the **SC National Guard Armory**, 1125 Bluff Rd, Columbia, SC 29201. Please note that this is the same location as in previous years and we have been reassured that the HVAC system has been properly repaired, so we shouldn't have the same problem as in 2021. This is a wonderful venue that is co-located with **The SC Military Museum**. Please see the museum's website for info about what it has to offer, www.scmilitarymuseum.com.

I am again the vendor coordinator and we have 70 8-foot vendor tables for sale. Despite inflation, vendor table prices remain the same at \$30 per table. **Please carefully read the attached Vendor Registration Form for pricing & other information.** To view the current floorplan, please visit <https://scmegashow.com/vendors/>. **We reserve the right the right to modify the floorplan as needed.**

For the past several years, we have sold out all of our vendor tables and quickly filled all cancelations from our standby list. Please do not delay your reservations and risk being disappointed.

Please send your payment in full or deposit and completed Vendor Registration Form to the address listed in the header, within 14 days of making your verbal or written reservation. Your reservation is not complete and will not be confirmed until both the deposit and vendor registration form have been processed.

In addition to the table costs, we ask that each vendor please donate at least one modeling related item to our raffle when you set up. If you would like to sponsor a category or award, please contact us for those details. We also promote our award sponsors on our website and at the show.

We will list your business logo and name on our web site and at the show. Vendors are free to begin and end sales as they wish.

The show is open to the public, Saturday 18June2022 from 9AM until 5PM with **no general admission fee**. Entry to the SC Military Museum is also free. Contest info, such as registration times and entry fees will be listed on our web site and show flyers.

This summer modeling event is well established and is now the largest in SC. 2022 will be our tenth consecutive show and sixth year in a row at this venue.
